**Asked on 17 September 2015**

**MR KNUTH** ASKED THE MINISTER FOR POLICE, FIRE AND EMERGENCY SERVICES AND MINISTER FOR CORRECTIVE SERVICES (HON J MILLER)—

QUESTION:

Will the Minister consider implementing changes to current gun laws that could give Queenslanders the right to use an air rifle in their back yards in the war against cane toads and myna birds?

ANSWER:

I thank the Member for the question. I know this is an important issue for the Dalrymple community.

I can advise the Member that the Queensland Government is not currently considering any change to current firearm laws.
