No. 1505

Asked on 31 August 2016

MR SPRINGBORG ASKED THE MINISTER FOR EDUCATION AND MINISTER FOR TOURISM AND MAJOR EVENTS (HON K JONES)—

QUESTION:

With reference to the minor works budget for each school in the electorates of Southern Downs, Mundingburra, Murrumba, Springwood and Surfers Paradise—

Will the Minister detail (for each school reported separately) (a) the minor works budget for 2016-17 and (b) the minor works budget and actual spend for 2015-16?

ANSWER:

The Palaszczuk Government is committed to enhancing and improving state school infrastructure. That's why we are investing an extra \$30 million over three years from 2015–16 to 2017–18 for minor works in state schools.

As a result, the minor works budget allocated directly to Queensland state schools has increased from approximately \$12 million per year under the former LNP Government to more than \$20 million per year under the Palaszczuk Government.

Regions are also allocated minor works funding to support schools with larger projects. Allocations to individual state schools may vary slightly from one year to the next as new schools are opened.

These additional funds will support schools to target spending towards priority infrastructure needs in addition to their annual maintenance allocation, assisting in addressing issues such as signage, grounds enhancements and other projects that schools seek to undertake. Minor works budgets can also be applied across financial years to allow schools to undertake larger projects.

To highlight this Government's commitment to minor works funding for state schools, I have detailed below the 2014–15, 2015–16 and 2016–17 minor works allocations for each school in the electorates requested.

We are also delivering a record \$780 million school maintenance investment over four years.
