MR MCARDLE asked the Minister for Health and Minister for Ambulance Services (HON C R DICK) –

With reference to the provision of episodes of care to patients within their residential settings through programs such as Hospital in the Home—

Will the Minister detail the (a) number of episodes of care provided in 2013-14, 2014-15 and 2015-16 and (b) projected number of episodes of care to be provided in 2016-17?

ANSWER:

I thank the Honourable Member for Caloundra for his question.

I am advised that the number of episodes of care with Hospital in the Home, including for Queensland, is published by the Australian Institute of Health and Welfare on an annual basis. This information can be accessed at [www.aihw.gov.au](http://www.aihw.gov.au).
