## Asked on 13 September 2016

MRS STUCKEY ASKED THE MINISTER FOR EDUCATION AND MINISTER FOR TOURISM AND MAJOR EVENTS (HON K JONES) -

#### QUESTION:

With reference to the minor works budget for each school in the electorates of Condamine, Currumbin and Dalrymple—

Will the Minister detail (for each school reported separately) the (a) minor works budget for 2016-17 and (b) minor works budget and actual spend for 2015-16?

#### ANSWER:

The Palaszczuk Government is committed to enhancing school infrastructure and is investing over \$186 million in school maintenance funding in 2016-17.

The Government recognises that learning is enhanced when it takes place in contemporary, fit for purpose facilities. That is why the Government committed an extra \$30 million over three years from 2015-16 to 2017-18 for minor works in state schools and as a result of this funding boost, the pool of funding provided directly to schools has risen from around \$12 million to over \$20 million per annum. This funding pool is shared between all state schools each year and allocations may vary slightly from one year to the next as new schools are opened.

These additional funds will support schools to target spending towards priority infrastructure needs in addition to their annual maintenance allocation, assisting in addressing issues such as signage, grounds enhancements and other projects that schools seek to undertake. Minor works budgets can also be applied across financial years to allow schools to undertake larger projects.

To highlight the Government's commitment to minor works funding for state primary, secondary and special schools and schools of distance education, I have detailed below the 2014-15, 2015-16 and 2016-17 minor works allocations for each school in the electorates requested.
