

Question on Notice
No. 1629
Asked on 14 September 2016

MR STEVENS asked the Minister for Health and Minister for Ambulance Services (HON C R DICK) –

With reference to the Gold Coast University Hospital—

Will the Minister detail the amount of latent bed capacity at the hospital as at 1 September 2016?

ANSWER:

I thank the Honourable Member for Mermaid Beach for his question.

I am advised that the Gold Coast University Hospital has sufficient funded beds and staff to meet the current demand for services and the capacity to expand bed availability as demand requires.
