

**Question on Notice**  
**No. 1644**  
**Asked on Wednesday 14 September 2016**

**DR ROBINSON** ASKED THE MINISTER FOR HOUSING AND PUBLIC WORKS (HON M DE BRENNI) —

With reference to the recent announcement of \$100M government-led housing construction currently underway or set to commence—

Will the Minister advise (a) how the \$5.6M committed to Redland City will be allocated (i) by electorate (Cleveland, Capalaba and Redlands) and, (ii) by housing type and (b) how many people these developments will accommodate (by electorate)?

**ANSWER**

The recent announcement on 30 August 2016 related to the total budget of projects under contract at the time, and included an approximate amount for the Redlands of \$5.6M.

In the Redlands Local Government Area, that announcement related to two projects as outlined in the table below.

State Electorate	Project Budget	Project yield	Persons accommodated
Cleveland	\$2.9M	12, one-bedroom apartments	Between 12 and 24 people
Capalaba	\$2.7M	11, one-bedroom apartments	Between 11 and 22 people
