No. 1645

Asked on Wednesday, 14 September 2016

MR WEIR asked the Minister for Transport and the Commonwealth Games (HON S HINCHLIFFE) –

QUESTION:

Will the Minister explain why future applications under the Conditional Registration Scheme to register a complying motorcycle-off-road agricultural conditionally, cannot be accepted and must be registered under standard registration which is substantially more expensive, whilst it appears conditional registration is still available for non-compliant models that are less safe for both paddock and on road use?

ANSWER:

I thank the Member for Condamine for the question.

As this matter falls outside of my portfolio, it would be appropriate for the Member to direct this question to the Honourable Mark Bailey MP, Minister for Main Roads, Road Safety and Ports and Minister for Energy, Biofuels and Water Supply.
