

## Question on Notice

No. 97

Asked on 15 February 2017

**MRS J STUCKEY** ASKED MINISTER FOR EDUCATION AND MINISTER FOR TOURISM, MAJOR EVENTS AND THE COMMONWEALTH GAMES (HON K JONES)—

QUESTION:

With reference to answer to Question on Notice No. 2160 regarding school based police officers—

Will the Minister advise the enrolment numbers for each of the 57 schools currently allocated a school based police officer through the program (reported separately by school)?

ANSWER:

School-based police officers are appointed to a school or cluster of schools to assist the school community and police in:

- promoting positive relationships between the school community and police;
- developing crime prevention and problem orientated initiatives, engaging community and inter-agency partnerships;
- assisting with the understanding of law/legal process and procedures, particularly in relation to young people; and
- attending to police-related matters within the school community, where appropriate.

The Interdepartmental Management Committee involving representatives from the Queensland Police Service and the Department of Education and Training consider issues like school population, social issues and other available youth support networks when recommending schools for inclusion in the School Based Police Officer program.
