No. 1031

asked on Thursday, 23 August 2018

MR D BATT ASKED THE MINISTER FOR STATE DEVELOPMENT, MANUFACTURING, INFRASTRUCTURE AND PLANNING (HON C DICK)—

QUESTION:

With reference to the Attorney-General's answer to Question on Notice No. 787 of 2018—

Will the Minister advise if the Department of State Development, Manufacturing, Infrastructure and Planning will undertake a strategy to support the expansion of craft distilleries of the spirit industry, similar to the strategy to support the expansion of the craft beer industry?

ANSWER:

My department works to assist our local distillers to access the suite of initiatives and services offered through the Queensland Government's Advanced Manufacturing 10-year Roadmap and Action Plan. These services assist individual businesses and industry sectors to address impediments to growth, build on their competitive strengths and take advantage of emerging opportunities.
