DR C ROWAN ASKED MINISTER FOR EDUCATION AND MINISTER FOR INDUSTRIAL RELATIONS (HON G GRACE)

QUESTION:

Will the Minister commit funds for additional toilets and bathroom facilities at Moggill State School?

ANSWER:

As previously advised in my letter to the Member of 25 July 2018, the Department of Education's infrastructure advisors have been working with Moggill State School to review their School Strategic Infrastructure Plan to ensure that projects and upgrades are being prioritised accordingly. The department advises that the toilet facilities at the school meet Building Code of Australia requirements for the number of students at the school and that they are sufficient to cater for projected growth in the short to medium term.
