**QUESTION:**

Will the Minister advise what action is being taken to complete the rectification works on the Tumoulin Road Pad intersection which was supposed to be completed after the wet season this year?

**ANSWER:**

I thank the Member for Hill for the question.

I am pleased to advise the Department of Transport and Main Roads is progressing a project to restore the condition of the road at this location, as a matter of urgency.

The project will go to open tender in November 2018 and is expected to be completed in January 2019, weather permitting.
