DR M ROBINSON asked the Minister for Health and Minister for Ambulance Services (HON DR S MILES) –

QUESTION

With reference to recent statements about Redland Hospital made by the Minister in the Redland City Bulletin—

Will the Minister advise (a) if the proposed car park will be run by private operators or by the Metro South Hospital and Health Service, (b) how many additional car parks will be provided and (c) when the facility will be opened?

ANSWER

- (a) The Metro South Hospital and Health Service has commenced a detailed business case for additional car parking capacity at the Redland Hospital campus. The detailed business case will determine how a new car park could be managed and maintained.
- (b) The detailed business case will determine the required increase in car parking capacity.
- (c) The detailed business case will determine when the additional capacity could be available for use.
