

QUESTION ON NOTICE

No. 372

Asked on 22 March 2018

MR J KRAUSE ASKED MINISTER FOR EDUCATION AND MINISTER FOR INDUSTRIAL RELATIONS (HON G GRACE)—

QUESTION:

With reference to the provisions of wi-fi facilities in schools across Queensland—

Will the Minister detail the funding available in the 2017-18 budget for public schools to upgrade or install wi-fi facilities (reported separately by electorate)?

ANSWER:

The re-elected Palaszczuk Government is committed to investing in technologies that aid teachers in the delivery of educational outcomes including tools such as eLearning. The Department of Education is delivering a Wireless Upgrade Project (the project) that will extend and upgrade the existing wireless solution to over 1200 schools statewide over a projected four years.

In the 2017–18 financial year the department has allocated \$9 million to upgrade wi-fi facilities in schools.

The project has been delivered to 184 schools across 77 electorates in the 2017–18 financial year to date.

The list of completed schools, by state electorate, is provided in **Attachment 1**.

**Attachment 1 – completed schools, by state electorate, to improve wi-fi facilities
2017–18**

| State Electorate | School Name |
|------------------|--|
| Algerger | Algerger State School |
| Barron River | Caravonica State School |
| Barron River | Kuranda District State College |
| Barron River | Tropical North Learning Academy - Trinity Beach State School |
