MR R MOLHOEK ASKED MINISTER FOR EDUCATION AND MINISTER FOR INDUSTRIAL RELATIONS (HON G GRACE)

QUESTION:

Will the Minister advise what activities were undertaken as part of the 'Safety in Schools' week initiative for 2015, 2016 and 2017 (reported separately by year)?

ANSWER:

The Safety in Schools week is an initiative of Kidsafe Queensland. Schools are able to host and participate in events with the Kidsafe website providing a range of resources and promotional material. The Department of Education does not request schools to provide a record of events that have occurred during Safety in School weeks and therefore data on specific events is not available.
