No. 603

Asked on 16 May 2018

MS R BATES asked the Minister for Health and Minister for Ambulance Services (HON DR S MILES)—

QUESTION

With reference to the Queensland Ambulance Service public performance indicator reports—

Will the Minister advise why a quarterly report has not been published since the financial year ending June 2017 and the timeline for when quarterly reports for 2017-18 are intended to be made publicly available?

ANSWER

I am advised that the Queensland Ambulance Service (QAS) commenced the phased implementation of a new electronic Ambulance Report Form application in July 2017, which impacted on the existing QAS data warehouse and downstream reporting and applications. This required the QAS to undertake detailed data analysis following the completion of the statewide rollout.

The Public Performance Indicator reports for the first three quarters of 2017-18 have since been published on the website <https://www.ambulance.qld.gov.au/publications.html>.
