**MR T NICHOLLS** ASKED MINISTER FOR POLICE AND MINISTER FOR CORRECTIVE SERVICES (HON M RYAN)—

QUESTION:

Will the Minister advise the total number of FTE police actually on duty in each region, broken down by day for the period 1-15 April 2018?

ANSWER:

I am advised by the Queensland Police Service (QPS) that in the lead up to and during the Gold Coast 2018 Commonwealth Games (GC2018), approximately 3,700 police personnel were deployed to ensure that the GC2018 were the safest and most successful Games ever.

The QPS partnered with event organisers and State and Federal security agencies to plan and deliver the security and safety response for the Games.

GC2018 was one of the largest QPS deployments with approximately 3,700 Queensland Police personnel deployed to GC2018. In addition, approximately 4,200 accredited Tier One security providers and approximately 1,500 Australian Defence Force personnel worked with QPS to deliver a safe and successful Games.

I am further advised by QPS that the following number of FTE police were rostered on duty in each region (and at the Commonwealth Games) between 1 and 15 April 2018:

	Brisbane	South Eastern	Southern	Central	Northern	Commonwealth Games
01/04/2018	728	560	504	582	509	1,544

Notes:

- a) FTE (Police) on duty: This is the number of distinct police officers on the ITAS roster (started on 31/03/2018 but covering 1/4/2018 to 15/4/2018) and on shifts during the given time period.
- b) Shift Start Date is used to filter the officer on duty on each day. (Officer starting at 10pm will be counted on that day not the next day)
- c) Whilst the staffing model for the Commonwealth Games totalled 3,667 personnel including police officers, staff members and representatives of external agencies, only a proportion of those personnel were rostered at any one time. The Commonwealth Games data included in the table (as per the other statistics depicted) represent individual police officers working a shift during the given time period.
- d) The officers who reported Unfit-For-Duty and on Leave (all the leave types) are excluded.
- e) Includes officers who perform light duties, counter duties, watch house duties and prosecution duties.
- f) Data was extracted directly from ITAS, and relies upon accurate and timely recording.
