MR E SORENSEN ASKED THE MINISTER FOR FIRE AND EMERGENCY SERVICES (HON C CRAWFORD)—

QUESTION:

Will the Minister advise the commencement and completion dates for the new urban fire station to be built in Hervey Bay?

ANSWER:

I thank the Member for the question.

I am advised by Queensland Fire and Emergency Services (QFES) that QFES regional management in conjunction with the Public Safety Business Agency are actively seeking available land in Hervey Bay for a replacement Fire and Rescue Station.

QFES has allocated sufficient budget for construction of the replacement station during fiscal years 2019-20 to 2021-22. It is estimated that completion of the Fire and Rescue Station will be in late 2021.
