

Question on Notice

No. 755

Asked on 13 June 2018

MR E SORENSEN asked the Minister for Health and Minister for Ambulance Services (HON DR S MILES)—

QUESTION

Will the Minister advise the commencement and completion dates for the new ambulance station to be built in Hervey Bay?

ANSWER

Planning for the new Hervey Bay Ambulance Station commenced in 2017-18, with construction to begin by July 2019, and expected completion by June 2020.

\$4.6 million has been provided for the new station, which will be constructed at 196 Maryborough Hervey Bay Road. The station will deliver modern facilities and amenities for staff, as well as a six-bay plant room.

The new facility will ensure that the Queensland Ambulance Service is able to continue to deliver high quality first response patient care services to the community into the future.
