No. 807

Asked on 14 June 2018

MS R BATES asked the Minister for Health and Minister for Ambulance Services (HON DR S MILES) –

QUESTION

Will the Minister advise the FTE allocation of staff in each Queensland hospital as at 1 June 2018 (reported separately by general classification)?

ANSWER

I am advised that full-time equivalent (FTE) staffing allocations are determined for each Hospital and Health Service (HHS).

I am further advised that HHS FTE staffing allocations are not broken down by each hospital (facility), or by classification within the HHS. Each HHS determines its appropriate staff mix based on operational needs.

The FTE staffing allocation for each HHS as at 30 June 2018 was published in the 2017-18 Queensland Health Service Delivery Statements (SDS).
