**MR D BATT** ASKED MINISTER FOR EDUCATION AND MINISTER FOR INDUSTRIAL RELATIONS (HON G GRACE)

QUESTION:

With reference to page 22 of the Education Service Delivery Statement and the chart on total departmental expenses across the forward estimates period—

Will the Minister provide a breakdown of funding for 2019-20, 2020-21 and 2021-22 for Early Childhood Education and Care, School Education and the Office of Industrial Relations (reported separately per area and per year)?

ANSWER:

Each year, through the annual State Budget process the Department of Education receives an approved budget.

Future years are estimates only and will be subject to budget processes, and state and federal decisions in the lead up to that budget year. As these are only estimates, at the department level, no service area information is available.
