QUESTION:

With reference to Page 4 of the 2019-20 Service Delivery Statement regarding the rolling reform agenda in the Local Government Sector—

Will the Minister advise if the government has received any estimates of the impact of this reform agenda on the cost of Directors Insurance for Queensland Mayors and Councillors?

ANSWER:

I thank the Member for Warrego for the question.

The Department is not aware of any impact of the Government's legislative reform agenda on the cost of Directors Insurance for Queensland Mayors and Councillors. The Department has undertaken significant stakeholder consultation as part of its reform process and this issue has not been raised by stakeholders as part of these consultations.
