asked on Wednesday, 23 October 2019

MR S KNUTH ASKED THE MINISTER FOR STATE DEVELOPMENT, MANUFACTURING, INFRASTRUCTURE AND PLANNING (HON C DICK)—

QUESTION:

With reference to competency requirements that are described by those in the Civil Industry as complicated and highly expensive with course fees ranging from \$100 to \$3,500 per course per ticket and the department does not issue any notification that tickets are due, nor is there an expiry date on current tickets—

Will the Minister commit to a review of competency requirements to ensure it is more streamlined and less costly on those in the industry?

ANSWER:

In reference to the honourable member's question, the matter raised does not sit within my portfolio responsibilities.
