**No. 1829**  
**Asked on 26 November 2019**

**MR S O'CONNOR** ASKED THE MINISTER FOR POLICE AND MINISTER FOR CORRECTIVE SERVICES (HON M RYAN)—

QUESTION:

With reference to the 'Hoon Line'—

Will the Minister detail the number of calls made in the last twelve months broken down by police division within the Gold Coast District?

ANSWER:

I am advised by the Queensland Police Service (QPS) that calls received by the Hoon Hotline are not logged according to police divisions or within a police district. Further, the QPS has advised that, identifying calls specifically relating to the Gold Coast Police District would require a manual examination of all calls received for the requested period, and that it would take one police staff member approximately ten days to complete this task. As such, the QPS has advised that this is considered an unjustifiable use of police resources.

However, I appreciate the Member's interest in this matter and can advise that the QPS has identified that 12,522 calls were received by the dedicated Hoon Hotline - 13HOON (134666) - between 1 December 2018 and 30 November 2019.

The Member may also be interested to know that this government has restored funding to the National Motor Vehicle Theft Reduction Council, after funds were cut by the former Newman Government. As such, Queensland is once again a member of this important national body.
