ANSWER:

I thank the Honourable Member for the question.

As the lead agency for implementation of the whole of Government ‘All Abilities Queensland: opportunities for all State disability plan 2017- 2020’, the Department of Communities, Disability Services and Seniors (DCDSS) has published a progress report detailing the status of implementation. The progress report is available on DCDSS’ website at: <https://www.communities.qld.gov.au/disability/state-disability-plan-2017-2020>.

I am pleased with the actions undertaken by the Department of Environment and Science to support inclusivity for people with disability.
