MR L MILLAR asked the Minister for Health and Minister for Ambulance Services (HON DR S MILES)—

QUESTION

Will the Minister commit to introducing a public dental health service into the Alpha multipurpose health facility as soon as possible?

ANSWER

I am advised by the Central West Hospital and Health Service (HHS) that Alpha currently receives public dental health services through the provision of outreach mobile dental clinics.

Alpha residents can access publicly funded oral health services at Barcaldine in between mobile oral health visits if required.
