DR C ROWAN ASKED MINISTER FOR COMMUNITIES AND MINISTER FOR DISABILITY SERVICES AND SENIORS (HON C O'ROURKE)

QUESTION

Will the Minister outline what compliance activities have been undertaken with Queensland departments to ensure compliance with the *All Abilities Queensland: opportunities for all* State disability plan 2017-2020?

ANSWER

The Palaszczuk Government is committed to creating an inclusive society that enables people with disability to fulfil their potential as equal citizens through *All Abilities Queensland: opportunities for all* (state disability plan 2017-2020).

My department coordinates reporting on implementation of the plan. The whole-of-government Progress Report on *All Abilities Queensland: opportunities for all* is available on the Department of Communities Disability Services and Seniors' website. The report provides an update on each of the 93 actions under the plan.

To develop this Progress Report, all agencies listed in the Progress Report confirmed the status of their actions and the steps they will take to finalise all actions.

Following publication of the Progress Report I wrote to relevant Ministers to congratulate them on their achievements and to seek their continued cooperation in continuing to deliver ongoing actions under the plan.

I have also written to the Director-General of my department about its ongoing actions and how they will be finalised.
