MS C MCMILLAN ASKED MINISTER FOR EDUCATION AND MINISTER FOR INDUSTRIAL RELATIONS (HON G GRACE)

QUESTION:

Will the Minister advise the electorate of Mansfield on the infrastructure investment in local schools since 25 November 2017?

ANSWER:

During the period 25 November 2017 to 30 March 2019, a total investment of \$20.116 million (including GST) has been injected into school infrastructure in the Mansfield Electorate. This is made up of \$18.329 million in project investments and \$1.797 million in maintenance expenditure.

The following significant projects are currently underway in the Mansfield Electorate and will continue to boost the infrastructure investment as they progress:

- Mansfield State High School: new three-storey building – on track for completion for 2020 school year with a total project budget of \$7.7 million (including GST); and
- Rochedale State High School: new two-storey building – on track for completion for 2020 school year with a total project budget of \$5.555 million (including GST).

In addition, Mansfield State High School has also been selected to benefit from the Queensland Government's \$235 million Renewing Our Schools Program.
