**DR M ROBINSON** asked the Minister for Health and Minister for Ambulance Services (HON DR S MILES)—

### **QUESTION**

With reference to answer to Question on Notice No. 184 asked on 26 February 2019, providing the number of presentations across all Redland suburbs for the years 2015-18—

Will the Minister advise on (a) the closure of the Redland Child and Youth Health Services which is noted as the recommended option in the Children's Health Queensland Hospital and Health Service proposed business case for significant change and (b) which Services would cater for Redland-based patients if the recommendation is adopted given accessibility issues for families, especially those travelling from North Stradbroke and the Southern Moreton Bay Island?

### **ANSWER**

I am advised that Children's Health Queensland Hospital and Health Service do not have any intention to reduce child and youth health services in the Redlands area.
