With reference to answer to Question on Notice No. 1047 asked on 4 September 2018—

Will the Minister advise (a) the FTE allocation for the Queensland Health communications department in 2018-19 and (b) why the budget has increased by almost \$4m compared with 2017-18?

ANSWER

- a) I refer the Member to question on notice 1047 asked on 4 September 2018. Total FTE numbers for 2018-19 will be available at the end of the financial year and are not expected to change significantly from current allocations.
- b) The additional \$3.87 million between 2017-18 to 2018-19 (budget) was primarily due to deferred spending on public health campaigns.
