No. 620

Asked on Tuesday, 30 April 2019

DR C ROWAN ASKED THE MINISTER FOR ENVIRONMENT AND THE GREAT BARRIER REEF, MINISTER FOR SCIENCE AND MINISTER FOR THE ARTS (HON L ENOCH)—

QUESTION:

With reference to Queensland Performing Arts Centre 2017-18 Annual Report—

Will the Minister advise (a) how 'involved' is defined in relation to Queensland artists and companies being 'involved' in some 55 percent of productions and (b) whether this is the same definition used for the programming highlight of '55 percent of seasons were by Queensland artists and companies'?

ANSWER:

I thank the Honourable Member for the question.

‘Queensland artists and companies’ is defined as being where the majority of artists or the company are based in Queensland.

For the 2017-18 financial year, 55% of seasons presented at the Queensland Performing Arts Centre (each comprising a production), were by Queensland companies or artists.
