

## **Question on Notice**

No. 72

Asked on 13 February 2019

**MR J LANGBROEK** asked the Minister for Health and Minister for Ambulance Services (HON DR S MILES) –

### **QUESTION**

Will the Minister provide the number and corresponding dates, of, consultation meetings held by the Minister or Queensland Health with the families of residents, prior to the families being notified of the decision to close the Halwyn Centre?

### **ANSWER**

The Metro North Hospital and Health Service has been working closely with residents, families, guardians, and the residents' support networks since the introduction of the National Disability Insurance Scheme (NDIS) to prepare for the transition to the NDIS. This process has included numerous meetings, in respect of individual residents as well as the collective Halwyn community. It would be an unreasonable burden on the agency to catalogue every meeting.
