MR M BOOTHMAN ASKED MINISTER FOR POLICE AND MINISTER FOR CORRECTIVE SERVICES (HON M RYAN)—

QUESTION:

Will the Minister provide the types of criminal offences and the number of such offences committed by a person under the age of 17 in the Gold Coast Region for 2015 to 2019 in table format, reported separately by suburbs and by year?

ANSWER:

There are more than 1,000 police officers based on the Gold Coast, working day-in-day-out to keep the community safe. Since being elected, this Government has delivered 44 extra police to the Gold Coast District.

With over 1,000 police officers on the Gold Coast and more to come, this Government is backing community safety.

For example, in Coomera we have delivered an extra 14 police officers to help address changes within the community, largely driven by population growth. Further, 6 extra police officers have been deployed to Nerang this financial year.

Police on the Gold Coast are also better trained and better equipped than ever before, with 597 QLiTE devices for frontline Police, 366 new X26P model Tasers 129 vehicles 5 vessels and 658 body worn video cameras, with more on the way as part of our plan to equip every uniformed first responder police officer with a body worn video camera.

Our record 2019-20 Police Budget shows that our government backs our police 100% in what they do best – and that's to keep communities safe.

I am advised by the Queensland Police Service (QPS) that analysis of reported crime is one of the tools used by police to keep track of trends in the community, allowing police to respond swiftly where they're needed and when they're needed.

The QPS has provided the following table in response to the Member's question—
