MR J KRAUSE ASKED THE MINISTER FOR POLICE AND CORRECTIVE SERVICES AND MINISTER FOR FIRE AND EMERGENCY SERVICES (HON M RYAN)

QUESTION:

With reference to calls from auxiliary firefighters in Boonah for a new fire station to replace the ageing Boonah Auxiliary Fire Station, and noting that Queensland Fire and Emergency Services has previously taken steps to find a new site, and obtain funding for a replacement station—

Will the Minister advise the status of this process and when it is expected that Boonah's auxiliary firefighters will see a new station constructed?

ANSWER:

I am advised by Queensland Fire and Emergency Services (QFES) that the replacement Boonah Auxiliary Fire Station is included in the QFES capital works forward plan.
