MR M MCARDLE asked the Minister for Health and Minister for Ambulance Services (HON DR S MILES) –

QUESTION

Will the Minister advise when a minor accident and illness clinic will be opened in 'Aura' the Stockland development south of Caloundra?

ANSWER

The Sunshine Coast Hospital and Health Service (HHS) currently operates an extended hours minor injury clinic at Caloundra which is approximately 11 kilometres distance to Aura.

The Sunshine Coast HHS has commenced a Master Clinical Service Plan, which is due for completion by late 2020. The Master Clinical Service Plan will provide a 10-year outlook for service delivery and service priorities across the HHS, and facilitate changes required to meet the increased demand and demographic profile of the region.

The Sunshine Coast HHS will utilise population projection methodology and the health needs of the communities to inform service delivery across the Sunshine Coast, including services at Aura.
