

QUESTION ON NOTICE

No. 181

asked on Tuesday, 18 February 2020

MR M BERKMAN ASKED THE MINISTER FOR NATURAL RESOURCES, MINES AND ENERGY (HON DR A LYNHAM)—

QUESTION:

Will the Minister provide (a) the total number of hectares of Queensland Government owned land that has been sold or handed over on leases longer than 50 years since the beginning of 2017, and (b) a list of those sales and details of lease agreements including location, price paid for the sale or lease and the identity of the purchaser or lessee?

ANSWER:

Various government agencies maintain property and land transaction information.

This question would require these Queensland Government agencies to research its property records, identify the relevant transactions and present this data to the department to enable a consolidated response.

This would necessitate the diversion of significant resources and as such I am unable to provide a response to this broad question.
