**MR S KING ASKED MINISTER FOR AGRICULTURAL INDUSTRY DEVELOPMENT AND FISHERIES (HON M FURNER)—**

**QUESTION:**

Will the Minister provide an update on any recent enforcement action that the Department of Fisheries has taken in the Moreton Bay area?

**ANSWER:**

I thank the Member for the question.

I am advised by the Department of Agriculture and Fisheries that the Queensland Boating and Fisheries Patrol (QBFP) has conducted over 300 patrols in Moreton Bay since 1 July 2019, inspecting over 3 200 individuals.

These inspections detected over 400 offences resulting in the issuing of over 160 fisheries infringement notices and 240 cautions.

In addition, 10 prosecutions have been finalised since 1 June 2019, with a further 21 matters pending. Details of the 10 matters finalised are provided below.

QBFP also undertakes dedicated compliance action plans for priority areas. This includes, for example, patrols of foreshores in Moreton Bay to ensure compliance with the ban on collecting molluscs that was introduced in 2019.
