Asked on 11 August 2020

MR D JANETZKI asked the Minister for Child Safety, Youth and Women and Minister for the Prevention of Domestic and Family Violence (HON D FARMER)—

QUESTION

Will the Minister provide details of the number of youth in care subject to youth justice orders listed by region for the last five years (per year)?

ANSWER

In the last five years there were 880 distinct young people across Queensland subject to a supervised youth justice court order, who at the time of their supervision, were also subject to an active child protection order.

The table below provides the number of distinct young people in Queensland by region and financial year, subject to a supervised youth justice court order, who at the time of their supervision, were also subject to an active child protection order.

Region	Financial Year				
	2015-2016	2016-2017	2017-2018	2018-2019	2019-2020
Central Queensland	61	69	73	77	59
Moreton	84	67	78	101	91
Northern Queensland	123	110	109	134	128
South East Queensland	54	46	49	57	64
South West Queensland	78	76	78	86	69

The figures in the above table are distinct dual order young people per financial year therefore they will not sum to the overall distinct young people count (880) as the same young person may be counted across multiple years.
