MR C BOYCE ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—

QUESTION:

With reference to the Department of Transport and Main Roads issuing of unitemised receipts, which seems an anomaly that should be rectified, as all other businesses have to itemise their accounts for tax purposes—

Will the Minister change TMR's record keeping systems to comply with tax invoice and receipting requirements?

ANSWER:

I thank the Member for Callide for the question.

I do not accept the premise of the Member's question.

The Department of Transport and Main Roads (TMR) currently provides itemised tax invoices to its customers, and all financial systems used by TMR comply with relevant tax invoice and receipting requirements.

Customers can request a replacement copy of their itemised Tax Invoice through TMR's various contact channels, if required.
