

**Question on Notice
No. 1079
Asked on Wednesday, 15 September 2021**

MS A LEAHY ASKED MINISTER FOR ENERGY, RENEWABLES AND HYDROGEN AND MINISTER FOR PUBLIC WORKS AND PROCUREMENT (HON M DE BRENNI)

Will the Minister advise what government employee housing has been renewed in the Warrego Electorate since 2015 (reported separately by location, department and cost of each dwelling)?

ANSWER

The Department of Energy and Public Works' (DEPW) Government Employee Housing (GEH) portfolio comprises of 362 residences in the Warrego Electorate with the residences leased to various departments for their use to house government staff.

The Queensland Government has invested approximately \$28 million (including \$7 million on renewal and \$21 million on preventative and responsive maintenance) on these residences since 2015.

Renewal works ensure properties are maintained to an appropriate level of amenity to attract and retain frontline government workers providing essential services for the community. GEH maintains these properties to ensure they meet maintenance standards and do not prematurely deteriorate.

The renewal works include capital upgrade works such as bathroom, kitchen and laundry upgrades and roof replacements, as well as capital improvement works such as air-conditioning, security screens, window replacements, built-in wardrobes, fans, insulation and Residual Current Devices. Maintenance works includes internal and external painting, fencing, floor coverings, stairs, balconies and other minor maintenance works.

The following Table details the breakdown of expenditure by location, leasing department and cost of each dwelling for the period 1 July 2015 to 30 June 2021 (for GEH owned by DEPW). The leasing agency specified in the table is as at 30 June 2021. Different agencies may have leased the property during the period, and since 30 June 2021.
