QUESTION:

With reference to answer to Question on Notice No. 393 asked on 22 April 2020—

Will the Deputy Premier advise which entity has been made trustee of Curlew Island?

ANSWER:

The Palaszczuk Government is committed to protecting the environmental values of The Spit such as those on Curlew Island. An important part of this is ensuring Curlew Island is appropriately managed to protect and enhance its environmental values.

The Government has consulted with a range of agencies and entities to determine the most appropriate trustee for the island and is now considering the outcomes of that consultation.
