MR M CRANDON ASKED TREASURER AND MINISTER FOR TRADE AND INVESTMENT (HON C DICK)—

QUESTION:

With reference to the \$750m of savings announced in the 2021-22 Budget—

Will the Treasurer advise the quantum of savings for the Financial Quarter ended 30 September 2021?

ANSWER:

On 9 July 2020, I announced the Government's Savings and Debt Plan, to prioritise functions and deliver savings of \$3 billion over four years.

As advised through the 2021-22 Budget process, savings of \$750 million in 2020-21 were delivered under the Savings and Debt Plan, fully achieving the 2020-21 target.

An update on the achievement of savings will be included in the 2022-23 Budget papers.
