

## **Question on Notice**

**No. 1279**

**Asked on Tuesday 26 October 2021**

**MR M CRANDON** asked the Deputy Premier, Minister for State Development, Infrastructure, Local Government and Planning and Minister Assisting the Premier on Olympics Infrastructure (HON S MILES) –

### **QUESTION:**

Will the Deputy Premier provide a list of projects that have been declared a 'coordinated project' under the State Development and Public Works Organisation Act 1971 since 2015 and for each project, the date that an application for declaration was received and the date that the Coordinator-General's evaluation report was issued?

### **ANSWER:**

The Coordinator-General's environmental assessment process delivers a comprehensive and coordinated whole-of-government evaluation of the environmental and social impacts of major projects.

For information on all coordinated projects, including key dates for projects declared from 2015, I refer the member to the department's website: <https://www.statedevelopment.qld.gov.au/coordinator-general/assessments-and-approvals/coordinated-projects>.
