MS A CAMM ASKED TREASURER AND MINISTER FOR INVESTMENT (HON C DICK)—

QUESTION:

Will the Treasurer advise how many exemptions have been formally provided to Strata Title Properties to ensure less than 100 percent of property value, for properties above the Tropic of Capricorn?

ANSWER:

I thank the Honourable Member for the question.

All strata title matters fall within the portfolio responsibilities of the Attorney-General and Minister for Justice, Minister for Women and Minister for the Prevention of Domestic Violence, who is responsible for the *Body Corporate and Community Management Act 1997*.
