MS S BOLTON ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—

QUESTION:

With reference to three agencies responsible for policing our waterways—

Will the Minister advise when Maritime Safety Queensland and Queensland Boating and Fisheries Patrol will also have access to Queensland Police Records and Information Management Exchange to obtain full history of maritime related interactions that currently only Water Police have access to?

ANSWER:

I thank the Member for Noosa for the question.

I am advised by my department that discussions between all parties involved have occurred and are still ongoing. However, as this is a matter for the Queensland Police Service to decide, it would be appropriate for the Member to direct this question to the Minister for Police and Corrective Services and Minister for Fire and Emergency Services.
