MR J KRAUSE ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—

QUESTION:

Will the Minister provide details of all vehicle ownership transfers in Q4 2020 (excluding new vehicle registrations) in the format of a table with the following column headings: transfer date, vehicle make, vehicle model, vehicle year of manufacture, odometer reading (from safety certificate) and vehicle colour?

ANSWER:

I thank the Member for Scenic Rim for the question.

Given the level of detail and volume of the information requested, I am advised that the data requested will require a large portion of time to collate, diverting the resources of the agency. This information can be requested through an application under the *Right to Information Act 2009* (the Act).

Therefore, the Member is welcome to make an application under the Act for access to the vehicle transfer details, which will then be assessed by Right to Information officers.
