No. 86

Asked on 24 February 2021

DR A MACMAHON asked the Minister for Children and Youth Justice and Minister Multicultural Affairs (HON L LINARD)—

QUESTION

With reference to the Multicultural Connect Line that provides in-language referral and health advice to people from multicultural backgrounds by the World Wellness Group—

Will the Minister describe what kind of evaluation has been undertaken by the government to ensure that this state-wide service is funded to cover the vaccine roll-out period and beyond?

ANSWER

The Multicultural Connect Line service is an invaluable service providing information and assistance to many people from culturally and linguistically diverse backgrounds impacted by the COVID-19 pandemic.

I am advised that the service is not funded by the Department of Children, Youth Justice and Multicultural Affairs and would recommend that the Member direct their question to the appropriate Minister.
