No. 913

Asked on 31 August 2021

MR M CRANDON ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—

QUESTION:

Will the Minister provide a list of each train currently in QR's CityTrain fleet together with its (a) fleet ID (if yet assigned), (b) model name (e.g. SMU200), (c) date it entered service (or forecast date of service entry), (d) forecast retirement date and (e) the same information for any new trains ordered but yet to enter service (including the 20 trains currently in procurement)?

ANSWER:

I thank the Member for Coomera for the question.

The Queensland Rail CityTrain fleet comprises 149 three-car units and the Interurban Multiple Unit (IMU) and Suburban Multiple Unit (SMU) fleet range in age from 10 to 26 years.

Fleet	Unit numbers	Date entered service	Anticipated commencement of retirement
SMU200	201-212	1994-1995	2036
SMU220	221-250	1999-2001	2038
SMU260	261-296	2008-2011	2050
Electric Multiple Unit	30-59	1979-1986	2025
IMU100	101-110	1996-1997	2038
IMU120	121-124	2001-2002	2038
IMU160	161-188	2004-2011	2049

During the 2020 Queensland State Election campaign, the Palaszczuk Government committed to expanding the South East Queensland fleet with 20 new trains, including an option of a further 45. This commitment is subject to competitive procurement.

New Generation Rollingstock trains are owned by the Department of Transport and Main Roads.
