No. 1120

Asked on 25 October 2022

DR A MACMAHON ASKED THE MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON Y D'ATH)—

QUESTION

Will the Minister advise when the full report of the external investigation into Mackay Hospital and Health Service (MHHS) Obstetrics and Gynaecology Services will be available to the public?

ANSWER

At the outset, the (former) Mackay HHS Chief Executive, as the commissioning authority for the investigation, committed to releasing the outcomes and actions arising from the report. This was released on 30 September 2022. A copy of the outcomes and status of actions taken to address the recommendations can be found at <https://www.mackay.health.qld.gov.au/mackay-hhs-obstetrics-and-gynaecology/>.

I'm advised the health service investigation commissioned by the Mackay HHS involved extensive stakeholder interviews on the basis the information they shared would not be made public. As such, a summary of outcomes has been released.
