No. 1208

Asked on 27 October 2022

MR B HEAD ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—

QUESTION

With reference to the Gladstone Port access—

Will the Minister outline what progress has been made to invest funding by the Federal Government in 2019 for the upgrade of Heavy Vehicle access, specifying any formal works, designs and consultation undertaken?

ANSWER

I thank the Member for Callide for the question.

The Department of Transport and Main Roads completed the Access to Gladstone Port upgrade project business case in 2021 and consultation was undertaken on identified options. Detailed design is expected to start in 2023 and the timeline for the project's delivery, including formal works, will be determined once detailed design has been completed.
