

## **Question on Notice**

**No. 1278**

**Asked on 8 November 2022**

**DR M ROBINSON** ASKED THE MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON Y D'ATH)—

### **QUESTION**

With reference to Queensland Audit Office Report 2: 2021-22 (Measuring emergency department patient wait time), and the system integration project to improve real-time (instant) sharing of QAS data with Emergency Departments—

Will the Minister advise (a) if the project has been resumed, (b) when the project is expected to be completed and (c) funding to the project this financial year?

### **ANSWER**

I am advised that the project has resumed and it is projected that an appropriate solution will be delivered in 2023.

Queensland Health and Queensland Ambulance Service have committed resources to this project and a budget will be confirmed once the detailed planning phase and associated business requirements have been defined by stakeholders.
